

ENROLLING IN CLASSES

ACCESS students enroll the Friday before classes begin each fall and spring semester. Registration and student services are provided by Continuing Education.

Each academic department determines which courses have availability. For example, if a Chemistry course enrolls 18 students but has a capacity (space available) of 25 students, 7 additional students may enroll through ACCESS. The first step is to complete the Registration Application online at conted.colorado.edu/enroll. After your application is processed, you will receive an invitation to register with all the information you will need to enroll in courses.

ACCESS program information, eligibility, key dates, and tuition and fees are available at conted.colorado.edu/access.

View the course offerings on Course Search at www.colorado.edu/academics/coursesearch. Complete course descriptions are in the *University of Colorado Boulder Catalog* at www.colorado.edu/catalog.

If you are a Colorado resident taking undergraduate or a combination of undergraduate and graduate classes, you may be eligible to participate in the College Opportunity Fund program. Visit www.CollegeInColorado.org for information.

Student Resources

Continuing Education offers services to help you make the most of your CU experience. Academic, financial aid, and career advisors are available to help you. Visit conted.colorado.edu/student-resources to schedule an in-person or telephone appointment or call 303-492-8252.

Future Admission to the University of Colorado Boulder

Requirements for admission to CU-Boulder vary by college and department. If you are considering applying as an undergraduate or graduate student, we encourage you to meet with an academic advisor to learn about your academic options. Visit conted.colorado.edu/student-resources to schedule an in-person or telephone appointment or call 303-492-8252.

CU-Boulder admission information is available at www.colorado.edu/prospective.

“ACCESS allowed me to gain experience and to meet and build rapport with professors at CU-Boulder.”

YOUR ACADEMIC PARTNER

The ACCESS program gives you the ability to develop a relationship with CU-Boulder. Whether personal, professional, or degree driven, you can study at a world-class facility with top faculty and course offerings.

Take the First Step

Reach your academic and professional goals. ACCESS is the place to start classes, whether you are a high school student seeking advanced study, want to finish a degree you began someplace else, or explore graduate school.

Advance Your Career or Enrich Yourself

Your profession is your life. Deepen your knowledge in your current field or pursue a new one. The ACCESS program opens the door to the diverse learning opportunities at CU-Boulder. Increase your knowledge in a familiar area or explore your curiosity in something entirely new.

Why wait to explore a new direction? Register for ACCESS and find out what awaits you at CU-Boulder.

GAIN ACCESS TO UNIVERSITY COURSES

Now you can easily explore a course you've been considering at the University of Colorado Boulder. Get a closer look at the campus. Learn from some of the best faculty in the country. Enroll in a course for credit that may be applied to a degree program, or for personal or professional development. Whatever your goals may be, let us help you “access” the University.

ACCESS (Available Credit Classes for Eligible Special Students) enables nondegree or visiting students to take undergraduate or graduate courses. You can use the ACCESS program to work toward enrolling in a degree program in the future.

Jennifer Constable
Alternative Printmaking

“I was looking to continue to enrich my life through the exploration of art. My background was in the creative industry but moving more and more toward the business side. ACCESS enabled me to participate in a graduate-level printmaking class without enrolling in a master's program. The class was an inspiration, reigniting my creative passions beyond day-to-day life and the business arena.”
